Article 5 - Change in Tariff Provisions

Upon notice to Buyer, Company shall have the right to file with the Federal Energy Regulatory Commission any changes in the terms of any of its Rate Schedules, General Terms and Conditions or Form of Agreement as Company may deem necessary, and to make such changes effective at such times as Company desires and is possible under applicable law. Buyer may protest any filed changes before the Federal Energy Regulatory Commission and exercise any other rights it may have with respect thereto.

Article 6 - Cancellation of Prior Agreements

When this Agreement becomes effective, it shall supersede, cancel and terminate the following Agreements:

Article 7 - Term

Where no Exhibit(s) A has been executed by Company and attached hereto within five years of the date of execution of this Agreement then this Agreement shall automatically terminate. Where one or more Exhibit(s) A have been executed by Company and attached hereto, then this Agreement shall automatically terminate five years after the latest Termination of Service Date on such Exhibit(s) A.

Termination of this Agreement shall not relieve Buyer of the obligation to pay money due hereunder to Company and shall be in addition to any other remedies that Company may have.

Article 8 - Applicable Law and Submission to Jurisdiction

This Agreement and Company's Tariff, and the rights and obligations of Company and Buyer thereunder are subject to all relevant and United States lawful statutes, rules, regulations and orders of duly constituted authorities having jurisdiction. For purposes of legal proceedings, this Agreement shall be deemed to have been made in the State of Oklahoma and performed there, and the Courts of that State shall have jurisdiction over all disputes which may arise under this Agreement, provided always that nothing herein contained shall prevent Company from proceeding at its election against Buyer in the Courts of any other State, Province or Country.

At the Company's request, the Buyer shall irrevocably appoint an agent in Oklahoma to receive, for it and on its behalf, service of process in connection with any judicial proceeding in Oklahoma relating to the Agreement. Either party to a Buyer's Agreement may pledge or charge the same under provisions of any mortgage, deed of trust, indenture, security agreement or similar instrument which it has executed, or assign such Agreement to any affiliated Person (which for such purpose shall mean any person which controls, is under common control with or is controlled by such party). Nothing contained in this Article 9 shall, however, operate to release predecessor Buyer from its obligation under its Agreement unless Company shall, in its sole discretion, consent in writing to such release. Company shall not release any Buyer from its obligations under its Agreement unless: (a) such release is effected pursuant to an assignment of obligations by such Buyer, and the assumption thereof by the assignee, and the terms of such assignment and assumption render the obligations being assigned and assumed no more conditional and no less absolute than those at the time provided therein; and (b) such release is not likely to have a substantial adverse effect upon Company. Buyer shall, at Company's request, execute such instrument and take such other action as may be desirable to give effect to any such assignment of Company's rights under such Buyer's Agreement or to give effect to the right of a Person whom the Company has specified pursuant to Section 6 of the General Terms and Conditions of Company's FERC Gas Tariff as the Person to whom payment of amounts invoiced by Company shall be made; provided, however, the: (a) Buyer shall not be required to execute any such instruments or take any such other action the effect of which is to modify the respective rights and obligations of either Buyer or Company under this Agreement; and (b) Buyer shall be under no obligation at any time to determine the status or amount of any payments which may be due from Company to any Person whom the Company has specified pursuant to said Section 6 as the Person to whom payment of amounts invoiced by Company shall be made.

FORM OF RELEASED TRANSPORTATION AGREEMENT

(Applicable to firm transportation rights
released pursuant to Section 21 of the
General Terms and Conditions of this Tariff)

THIS AGREEMENT (Agreement No. _____) is made and entered into this ____ day of _____ by and between VIKING GAS TRANSMISSION COMPANY, a Delaware corporation, hereinafter called "Company" and _____, hereinafter variously called "Bidder" or "Replacement Shipper."

WHEREAS, Company owns and operates an interstate natural gas transmission system and provides transportation service for third-party Shippers on such system;

WHEREAS, Company's Tariff on file with the Federal Energy Regulatory Commission (FERC) permits firm transportation Shippers under Company's Rate Schedule FT-A to release some or all of their transportation rights under the terms and conditions presented in the Tariff;

WHEREAS, Bidder desires to submit bids for transportation rights released by one or more firm Shippers and Company's Tariff requires bidder to enter into this Released Transportation Agreement as a pre-condition to the submission of any such bids; and

WHEREAS, Company is willing to enter into this Agreement with Bidder and provide transportation service to Bidder as a Replacement Shipper to the extent it obtains released transportation rights;

NOW THEREFORE, in consideration of the mutual covenants and agreements as herein set forth, the parties hereto agree as follows:

ARTICLE I - RELEASED TRANSPORTATION RIGHTS

In the event transportation rights are released to Bidder, Company shall prepare and submit to Bidder an Exhibit "R-1" setting forth the TQ of the released transportation service, applicable receipt and delivery points, the rates to be paid for service using released rights, the name of the Rate Schedule governing such released transportation rights ("Governing Rate Schedule") and any special terms and conditions applicable to such released transportation rights, including conditions of curtailment or recall. If Replacement Shipper subsequently obtains additional released transportation rights pursuant to the terms and conditions of Company's Tariff, an additional exhibit (designated sequentially as Exhibit R-2, Exhibit R-3, etc.) shall be added to this Agreement for each such award of transportation rights. Each such Exhibit shall be added to this Agreement without any requirement of execution by Replacement Shipper and, upon such addition, shall be incorporated in and be considered a part of this Agreement.

ARTICLE II - RATE SCHEDULES AND TERMS AND CONDITIONS

2.1 This Agreement shall be subject to, shall be governed by, and shall incorporate the applicable provisions of Company's Tariff, including, without limitation, Section 22 of the General Terms and Conditions thereof, the Governing Rate Schedule and special terms and conditions stated in each Exhibit hereto with respect to the released transportation rights described in such Exhibit. Subject to the terms, conditions and limitations of this Agreement and Company's Tariff, Replacement Shipper shall be deemed a Shipper for purposes of the Governing Rate Schedule and the applicable provisions of Company's Tariff and shall be subject to all obligations thereof.

- 2.2 Company expressly reserves all rights granted to it by any Governing Rate Schedule and the applicable provisions of its Tariff to file at the FERC and place into effect unilaterally such changes as Company deems necessary or desirable from time-to-time in the rates, charges, terms, and conditions applicable to service under the Tariff or Governing Rate Schedule, in order to assure Company just and reasonable rates, charges, and terms and conditions of service.

ARTICLE III - TERM

This Agreement shall become effective on the date first written above and shall remain in force and effect until terminated by either party upon thirty days prior written notice to the other party; provided however, no such termination may take effect during the term of any release of transportation rights to Replacement Shipper hereunder.

ARTICLE IV - NOTICES

Notices given under this Agreement shall be given in accordance with Section 11 of the General Terms and Conditions of Company's Tariff. If notice is given in writing it should be mailed:

If to Company: Viking Gas Transmission Company
ONEOK Plaza
100 West 5th Street
Tulsa, Oklahoma 74103

If to Replacement Shipper: _____

ARTICLE V - SUCCESSORS AND ASSIGNS

This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. No assignment or transfer by either party of any of its rights hereunder, except for transfers pursuant to the release program set forth in Company's Tariff, shall be made without the prior written consent of the other party. Such consent shall not be unreasonably withheld. No such consent of Company or Replacement Shipper shall be required when an assignment by Replacement Shipper or Company is the result of, and part of, a corporate acquisition, merger or reorganization. Nothing contained herein shall prevent either party from pledging, mortgaging or assigning its rights hereunder as security for its indebtedness and either party may assign to the pledgee or mortgagee (or to a trustee for the holder of such indebtedness) any money due or to become due under this Agreement. As between the parties hereto, such assignment shall become effective on the first day of the month following written notice that such assignment has been effectuated. Upon request of either party, the other party shall acknowledge in writing any permitted assignment described herein and the right of any permitted assignee (and any assignee upon enforcement of any assignment made as security for indebtedness) to enforce this Agreement against such other party, and shall also deliver such certificates, copies of corporate documents and opinions of counsel as may be reasonably requested by such permitted assignee relating to such party, this Agreement and any other matters relevant thereto. No permitted assignment shall relieve the assigning party from any of its obligations under this Agreement. Replacement Shipper hereby confirms that the rights of Company under this Agreement that may be assigned include any right given or reserved to Company in the Agreement to consent to any assignment or transfer by Replacement Shipper of its rights and obligations thereunder.

ARTICLE VI - GOVERNMENTAL BODIES

Notwithstanding any other provision hereof, this Agreement shall be subject to all laws, statutes, ordinances, regulations, rules and court decisions of governmental entities now or hereafter having jurisdiction.

ARTICLE VII - REPLACEMENT SHIPPER'S INDEMNIFICATION

Replacement Shipper recognizes that its rights to transportation service hereunder are solely those rights released by Releasing Shippers. The Replacement Shipper agrees that it will indemnify Company against any claim or suit of any kind by any Releasing Shipper, its successor or assigns arising from any action taken by Company in reliance upon the nominations, scheduling instructions or other communications from Replacement Shipper or its agents. Replacement Shipper further agrees that it will hold Company harmless for any action taken by Company in reliance upon the nominations, scheduling instructions, or other communications of the Releasing Shipper or its agents. Replacement Shipper further recognizes and agrees that Company shall have no obligation to honor any nomination or scheduling request from Replacement Shipper or its agents that in Company's sole opinion conflicts with communications or instructions received by Company from the Releasing Shipper (or its agents) or with the terms of Company's Tariff.

ARTICLE VIII - REPRESENTATIONS AND WARRANTIES

The Replacement Shipper hereby represents and warrants that (i) it has all requisite corporate power and authority, or other authority as applicable, to execute and perform this Agreement, (ii) the execution, delivery and performance of this Agreement have been duly authorized by all necessary corporate action, or other action as applicable, (iii) this Agreement constitutes the legal, valid and binding obligations of the Replacement Shipper enforceable against the Replacement Shipper pursuant to its terms except as enforceability may be limited by bankruptcy, insolvency and other similar laws affecting the enforceability of creditors' rights generally and by general principles of equity, and (iv) all government approvals necessary for the execution, delivery and performance by the Replacement Shipper of its obligations under this Agreement have been obtained and are in full force and effect.

ARTICLE IX - MISCELLANEOUS PROVISIONS

- 9.1 No waiver by any party of any one or more defaults by the other in the performance of any provisions of this Agreement shall operate or be construed as a waiver of any future default or defaults, whether of a like or of a different character.
- 9.2 No liability for any act or omission of Company shall be incurred by, or asserted against, the entities holding a partnership interest in Company or against any owners, subsidiaries or affiliates thereof. Any recourse for any liability of Company shall be against Company only.
- 9.3 The headings of the Articles of this Agreement are inserted for convenience of reference only and shall not affect the meaning or construction thereof.
- 9.4 AS TO ALL MATTERS OF CONSTRUCTION AND INTERPRETATION, THIS AGREEMENT SHALL BE INTERPRETED BY THE LAWS OF THE STATE OF OKLAHOMA, WITHOUT REGARD TO ITS CONFLICT OF LAWS PROVISIONS.
- 9.5 This Agreement, including all provisions expressly incorporated by reference, constitutes the entire agreement between the parties pertaining to the subject matter hereof and supersedes all prior agreements, representations and understandings, written or oral, pertaining thereto. Except as otherwise provided herein, any modifications, amendments or changes to this Agreement shall be binding upon the parties only if agreed upon by both parties hereto in a written instrument or by an electronic contract form which expressly refers to this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year first set forth above.
